President MES Kerala

Prof. Kadavanad Muhammed
Gen. Secretary MES Kerala

MES which has just completed its glorious 50th Year, is the largest corporate educational agency of the Muslims in India, with more than 150 educational institutions, including Medical College, Dental College, Engineering Colleges, College of Nursing, Post-Graduate Arts & Science College, B.Ed Colleges, CBSE Schools, State Syllabus Higher Secondary School and Industrial Training Centers with more than 60,000 students and around 15,000 employees. Hospitals, Orphanages, Old-age Homes, Special Schools for Mentally Challenged, Cultural Complexes and various hostels draw up the broad canvas of services offered and activities undertaken by the society. The MES has registered its presence not only in India but in all the Middle East nations and enjoy the patronage of people from all the quarters as a politically neutral body and extends its services to all, upholding its secular fabric.

ABOUT OUR COLLEGE

MES Kalladi College, Mannarkkad is the proud symbol of the Muslim Educational Society, Calicut to the cause of higher education in Kerala, especially to the educationally backward areas of Malabar. This is the first college started by the MES and it is also the felicitous outcome of the noble endeavor of the late Kalladi Cheriya Kunhammed Sahib and the local public. College is located in a vast area, a major part of which was donated by the late Janab Valayadi Kunhayammu Haji.

The college started functioning as a junior college in 1967 and the College was formally inaugurated on 12 November 1967 by the Minister of Education Sri.C.H Muhammed Koya. PK Abdulla IAS presided over the function. The college was upgraded in 1971 with the introduction of degree courses in History, Economics, Mathematics, Botany and Commerce. Further it was upgraded as a Post Graduate college in 1978 with the introduction of M.Com.

The departments of History and Chemistry have upgraded as Research Centres in 2016 and 2017 respectively, and are equipped with Modern Laboratories, Research Halls and Research Cubicles. At present the College is offering 20 Under Graduate Programmes (UG), 9 Post Graduate Programmes (PG) and One Integrated PG Programme and 2 Research Centers in various Disciplines of which 11 programmes are in the Self Financing stream. This Institution has well equipped laboratory facilities in Chemistry, Botany, Zoology, Physics, Mass Communication, Food Technology and Computer Science. The College Library is automated with more than 50,000 bar coded books and journals. Library has a separate digital section with broadband

internet connection and INFLIBNET facilities by which students have access to E-journals and E-books. Presently the library is in its process of modernization with RFID system. The two well equipped computer centres offer short term courses for students along with their regular programmes. College administration is facilitated with Enterprise Resource Planning (ERP) software and the implementation of E-learning with ICT integrated classrooms is completed. The college is renowned for its achievements in sports and games in the national and international levels. The infrastructure includes a playground with 400 meters track, Indoor Stadium and gymnasium for physical fitness and training. The college has remarkable achievements in A-Zone and Inter-Zone arts festivals.

MES Kalladi College Mannarkkad is re-accredited by the NAAC with A+ Grade in its third cycle in 2019

We are even proud to be the very first college under Calicut University and the third college all over Kerala to receive A+ Grade (3.32) in the third cycle visit.

The Emblem of the college, a toothed wheel with embellishments from the Quran and a writing hand in the centre, represents the vision of the institution to uplift the society to the realm of the modern education by exploring the depths of knowledge. The toothed wheel indicates the progress through technological advancement by holding fast to the values of human life with a belief in the exalted divinity. The Quranic inscription on the wheel sheds light to the fact that "it is God who taught by the pen. He taught the humanity that it knew not". The writing hand in the center of the wheel established the importance of learning.

VISION

All inclusiveness, integrity, and promotion of equity, social justice, and scientific temper.

UN Work and priorities in the campus

UN Women is the United Nations entity dedicated to gender equality and the empowerment of women. A global champion for women and girls, UN Women was established to accelerate progress on meeting their needs world wide. UN Women supports UN Member States as they set global standards for achieving gender equality, and works with governments and civil society to design laws, policies, programmes and services needed to ensure that the standards are effectively implemented and truly benefit women and girls worldwide. It works globally to make the vision of the Sustainable Development Goals a reality for women and girls and stands behind women's equal participation in all aspects of life, focusing on four strategic priorities: Women lead, participate in and benefit equally from governance systems Women have income security, decent work and economic autonomy All women and girls live a life free from all forms of violence Women and girls contribute to and have greater influence in building sustainable peace and resilience, and benefit equally from the prevention of natural disasters and conflicts and humanitarian action.

UN Women also coordinates and promotes the UN system's work in advancing gender equality, and in all deliberations and agreements linked to the 2030 Agenda. The entity works to position gender equality as fundamental to the Sustainable Development Goals, and a more inclusive world. Women in all parts of the world suffer violence and discrimination. They are under-represented in political and economic decision-making processes. Over many decades, the United Nations has made significant progress in advancing gender equality, including through landmark agreements such as the Beijing Declaration and Platform for Action and the Convention on the Elimination of All Forms of Discrimination against Women (CEDAW). Working for the empowerment and rights of women and girls globally, UN Women's main roles are: To support inter-governmental bodies, such as the Commission on the Status of Women, in their formulation of policies, global standards and norms. To help Member States implement these standards, standing ready to provide suitable technical and financial support to those countries that request it, and to forge effective partnerships with civil society. To lead and coordinate the UN system's work on gender equality, as well as promote accountability, including through regular monitoring of system-wide progress.
